Officer Reports

President – Suzanne Turner

Suzanne attended the ACRL Chapters Council and orientation for new officers at ALA Annual 2009. Chapter officers reported on regional programming, and ENY/ACRL was the only chapter represented which has a regional brown bag lunch discussion concept. Also of interest was the fact that the Washington state and Oregon chapters alternate and share responsibility for the regional conference. There's a goal to increase student membership in chapters, increase ACRL virtual offerings, and consider ways chapters can focus on sustainability. A conference speaker, Susan Gibbons, University of Rochester, spoke about library support of millennials, specifically graduate students. Mentioned was a role for libraries in helping students organize their research.

VP/Program Chair – Brenda Hazard

The Program Committee has 23 members; 6 are board members. Members met on June 22 for planning and review of conference evaluations and recommendations. The committee agreed on future virtual meetings; Skidmore College will host. Brown bag dates for the fall will be selected by September 10, 2009 and include a October 23 date at Pottsdam and Clarkson. Other hosts are NYLINK and Syracuse. Topic: Responding creatively to your library's fiscal reality.

The Spring Conference date is set: Monday, May 24, 2010, at Colgate with Francesca Livermore as local arrangements chair. Topic: Creating opportunity from crisis: New models, new partners. The committee is developing a list of potential speakers and conference format. Additional discussion from programming included registration fee waivers, local arrangements handbook updates, and determining membership status prior to conferences. Brenda will consult with Suzanne P. about membership status confirmation.

Past President – Susan Zappen

Since President and Vice President/Program Chair offices expire every year and Membership and Treasurer expire after this term, Susan will send a listserv message to encourage interest in the offices. Any changes to the bylaws need to be presented to the membership prior to the vote.

Dreamhost software management was discussed. Glynis will talk with Suzanne P. about the concept of a printed brochure for membership. Target date for the next newsletter is October. Suzanne will do a President's report, and Brenda will report on the fall brown bag lunch discussions as well as on plans for the spring conference. Some ideas for the October newsletter: open source, Library 2.0 and specific technologies, and open access. She will also update the ENY/ACRL Web site with "save the date" notices for the upcoming brown bag discussions and the 2010 conference.

New Business
